

In the book "The Lion, the Witch, and the Wardrobe" by C.S. Lewis, a lot of characters had appeared in the story, such as Lucy, Susan, Edmund, Peter, Aslan, and so on. However, as the book went by, the four children were transformed into a heroic person at the end of the story. In contrast, I think that Peter's personality turned into heroic the most. *overall: avoid vague expressions (a lot/so on...)

awkward phrasing and tense.
fix: Many characters appear
vague phrasing → fix: throughout the novel
grammatically incorrect (s/v agreement error) → fix: were transformed into heroic figures or became more heroic.
awkward. fix: undergoes the most significant transformation into a heroic figure.

First, I think that Aslan has a great impact on Peter's heroic bravery and leadership because of Aslan's motivation. In the book page 130 to 131, Aslan let Peter handle the matter instead of Aslan, since Peter had to have enough leadership to be the great future Narnia king.

fix: because ← Aslan wanted to prepare him for leadership.
redundant (both are synonyms).
unclear wording.
leadership → one word

In addition, Peter got some advice from Aslan that he should clean his sword after killing his enemies. Overall, he successfully accomplished his first battle.

use third person.

Second, Aslan has only treated Peter like the future Narnia king. Although Lucy and

king of Narnia.

Susan are later ^{going to be} ~~gonna~~ be the Queen of
Narnia, Aslan didn't even let them handle
their first battle or ^{→ repetition of 'advice'} ~~to~~ give them advice. ^{fix: didn't even guide them in battle.}
Furthermore, I think Aslan treats him like this
because he is the eldest and ~~has~~ the most responsibility
and leadership. ^{on} In ^{very good} the page 128, he ~~represents~~ ^{demonstrates}
~~bravness~~ ^{bravery} in front of the children and Mr. Beaver.
