

Famous books like Harry Potter, Wonder and the Hobbit all have characters that change

^{throughout} ~~throughout~~ the book. ~~Well~~ ⁱⁿ the Lion the witch

^{↳ Colloquial, redundant, awkward phrasing.}

and the wardrobe, ~~has just exactly that character,~~

^{is one such character.}

Edmund. Like many others, ~~characters,~~ ^{he} Edmund ~~encounter~~

~~many~~ challenges and ~~events~~ that shapes his personality.

^{too much redundancy}

~~thought~~ the book. This essay will discuss about how Edmund change and rise to the challenges he encounters.

One change that ~~we~~ can see in Edmund is that he

^{becomes} ~~is very~~ reflective ^{and regretful} ^{past} of his ^{about} actions. ^{At} ~~In~~ the ^{beginning} ~~beginning~~ of

the book, Edmund ~~x~~ interacts with the white witch.

Since then, his focus ^{shifted towards} ~~was more on~~ the witch and Turkish

delight, rather than his siblings, ~~up~~ to the point where

he even put them in danger by revealing their location

to the witch. However, Edmund soon realized that the witch

meant no good to him and was 'evil'. ~~So~~ after he got rescued

^{from the witch.}

he made ^{it} ~~up~~ for his siblings by deeply apologizing and

meant every word ^{of it.} ~~in his apology.~~ This shows that Edmund

is very reflective and regretful of his actions towards

his siblings.

Another change that we see in Edmund is his ^{Shift} ~~change~~ in personality. ^{don't repeat change twice!} ~~Many characters in many stories go through a big personality change.~~ ^{Changes} In this case, Edmund ~~was~~ from being mean and childish to ^{becoming more serious, fair and mature person.} being a ~~grave~~ just and quiet person. ^{early on} In ~~the book,~~ ^{in the story,} when the four children were playing hide and seek, Edmund followed Lucy into the wardrobe not because it was a good place to hide, but because he wanted to make fun of Lucy ^{about her fairytale world.} This shows his childish side. ^{however, additionally,} Also even after Edmund found out that Narnia was real, ^{continuing to dismiss her.} instead of telling the others, he said that it was all made up and he was just pretending with Lucy. This really showed his mean side. In spite of that, Edmund becomes braver and more loyal throughout the novel and even fought for his sibling in the war against The White Witch and Aslan. In the end, where the four siblings become king and queen, ^{the author} ~~it~~ describes that Edmund was a more graver and quieter man than Peter. ^{it's evident that} People even called him King Edmund the Just. So ~~we can~~ ^{was compared to} see a big personality change in Edmund from his old self. ^{there was a}

finally we can see that Edmund has generally changed in every aspect of himself ^{although} ~~and~~ the biggest change was when he switched forces from the witch to Aslan. ✓

The most evident change is when he knocked out the white witch's wand from her during the final battle. ✓

Some events that led Edmund to switch sides was when she started to be mean and ^{cruel} ~~cold~~ to Edmund and ~~even~~ ^{tried} ~~tried~~ to kill him. This change was the most crucial ~~and~~ ~~important~~ change in the novel.
crucial = important

In ^{in terms of} conclusion, Edmund has changed a lot through the book ✓
in personality, actions and sides. Moments like fighting in the war, ^{apologizing} ~~apologizing~~ has really proven ~~us~~ ~~and the others~~
that he is a changed person.
